"We cannot stop natural disaster but we can arm ourselves with knowledge; so many lives wouldn't have to be lost if there was enough disaster preparedness."

-- Petra Nemcova

THANKS

The word "THANKS" is written in a bold, bubbly, multi-colored font. Each letter is filled with a rainbow gradient from purple at the bottom to yellow at the top. Behind the letters, a fan of ten identical rainbow pencils is arranged, with their tips pointing upwards and slightly outwards. The background is a soft gradient from light blue at the top to light green at the bottom.
