

**San Jose del Monte High School  
City of San Jose del Monte, Bulacan**

**School Hydrological  
Information Network  
(SHINe)**

The SHINe Project was first introduced in our school in 2008 wherein, the first ever orientation seminar which was given by the PDMO and the PAGASA was held February of that year.

## SHINe Program Objective

To enhance and propagate disaster awareness to the school populace; prevent loss of life and protect property by achieving and maintaining a high-level of school preparedness.

## Organizational Strategy

Everyday, a pair of students is assigned to record the rain gauge reading every hour from 6 AM to 6PM.

Then the Shine adviser collects the reading for filing of data.

# Rain Gauge Reading for the Month of MAY 2010

<b>Date</b>	<b>Morning</b>			
	9:00	10:00	11:00	12:00
