SHINe Updates....

The Re-visit

Re-orientation..

SHINe Logo Making Contest...

Participated in the tree planting drive organize by the Rotary Club in school.

SHINe MITIGATION ON CLIMATE CHANGE..

Proper Waste Segregation

Initiate on proper way of separating plastic and paper waste..

SHINe Future Project for the School and Community..

*Develop a school policy that stop using paper cups and styrofoam cups in the canteen. Instead use washable plastic glasses

*Implement a paper and/or bottle, aluminum can recycling project

Coordinate with the Brgy. Captain to install a proper waste bin for every corner in the community.

SHINe still shines
in John J. Russell
Mem. HS.

Thank You!!!
